Adjacent to Massachusetts General Hospital, Government Center and Beacon Hill, the Charles River Plaza complex includes three mixed-use buildings and a 950 car parking facility. Major tenants include Massachusetts General Hospital, Schepens Eye Institute and a new 37,000 SF Bread & Circus store. Isaacson Structural Steel is providing a package which includes the supply and erection of structural steel, metal deck, and steel joists for a 400,000 sf addition to the facility.

Steel erection is scheduled for completion in the spring of 2004.
